Legal Prep Charter Academies opened Chicago's first and only legal-themed charter high school to 200 freshman on August 20, 2012 in West Garfield Park. Legal Prep offers a free college preparatory education.

BECOME A MENTOR

Mentors in our Gold-Star Certified program work with an individual student on a monthly basis throughout the course of the school year or potentially through several school years.

GUEST TEACHING

Teach one session in Legal Prep's Constitution Law or Criminal Procedure classes for juniors and seniors. Legal Prep will create interactive and discussion based lessons that reflect the classroom curriculum and allow volunteers to share their perspective and expertise.

LAW PROGRAM

Our Law Programs enrich our students' education, and influence them to be well-versed advocates for themselves, their community, and their city. Each grade level has both a distinctive law class imbedded in the school day as well as a regular external program where they partner with a corporate legal department or law firm.
