

Educating the next generation of lawyers and leaders

Student Technology Responsibility Form

All students will have access to technology in the classroom through the use of a personal, school-issued Chromebook. Students are responsible for bringing their computer to each class and will be responsible for the computer through the remainder of the school year. Students are expected to follow classroom norms as it relates to compute use.

The cleanliness and overall condition of the computer must be upheld. Students shall not damage the computer and if lost or stolen, shall be financially responsible for any repair or replacement required. Students are encouraged not to share computers, as damage caused by other students to your student's computer will still be your student's financial responsibility.

- Replace Charger \$20.00
- Replace Case \$20.00
- Damaged Screen \$100.00
- Damaged Keyboard \$70.00
- Lost Computer \$200.00
- Other Damage, cost as assessed

Students shall have no expectation of privacy with usage of LPCA technology resources while on school premises or at a school-sponsored event. Computer files and electronic communications, including email, are not private and may be accessed by the school at any time. This includes computer files and electronic communications which are accessed using school technology or through the school's network but are stored externally. Failure to comply with this policy and/or the regulations governing the use of the school's computer network and will result in disciplinary action. LPCA reserves the right to deny individual users access to the district's computer network as a consequence of misuse.

By signing this form, the undersigned acknowledges full responsibility for all information listed.
